

TOWN OF HAMILTON

September 2024

IMPORTANT INFORMATION TO KNOW.....

The month of September brings the end of summer break for the kids. This means kids will be out early in the morning to catch the school bus and after school. Please remember this and drive slow in Town.

The month of September also starts with a letter to get ready for flood season. The prediction is for more rain and winds this year. Please make sure your yards are cleaned up and ready for quick evacuation if needed this year. Watch for Flood Letters of recommendations of what you should do to be prepared this winter. Being prepared for flooding makes for a less stressful event. Please also take note that there will be NO parking at the Janicki Fuel Station. Please have a place lined up prior to last minute of having to leave Town in case of flood. There will also be an Upper Skagit Disaster Preparedness Guide in the Concrete Herald.

The Hamilton Christmas Gift Giving tree will be going up in Town Hall this month to start collecting names for kids and adults. Please contact Town Hall if you have or know a family in need that could use a little happiness this Christmas.

The Hamilton food bank is accepting donations of dry and canned goods. Donations can be taken to Town Hall.

Town Meeting
September 10th @7:00pm

Town Workshop
Meeting
September 24th
@6:30pm

Town Hall Closed
September 2nd
Labor Day
